Congratulations Class of 2021

We wish the graduates all the best as they begin this new chapter of their lives. We are tremendously proud of them all.

The Lake George Central School District's 70th commencement returned to the Jr.-Sr. High School gymnasium for a joyous celebration after COVID-19 restrictions eased. The event honored 67 graduates in the Class of 2021.

Lighthouse Team Leaves Legacy

The 2020-2021 Lighthouse Team had plans so grand that they had to split into five groups to accomplish everything on their list.

Inspired by artist Georgia O'Keeffe, some members created a 3D wooden wall mural of Lake George. The mural was conceived and created by the students with the help of LGES Parent and Owner of French Mountain Studios Jeremy Entwistle. After learning about basic art principles, the students did research and then made sketches and cut-outs to finalize the design. Mr. Entwistle cut the pieces in wood, which the students painted and arranged on a 4 x 8 plywood

base. After drying and mounting, the mural now hangs in the lobby of the school.

Other members of the Lighthouse Team created a welcome video for the school. Written and produced by the students, it features interviews with students and LGES Principal Jim Conway. The video can be found on the district website.

Other Lighthouse projects included the creation of an after school Ropes Course Club; the installation of a fish tank; and the painting of animal tracks along the walkway to the library. Many thanks to Mr. Palladino for helping the Lighthouse Team install the fishtank.

"We are so proud of the members of the Lighthouse Team and all they accomplished this year," remarked Principal Conway.

Lighthouse Team Advisor and School Social Worker Ann Moellman said, "The leadership skills that our students show are always impressive."

The 2020-2021 Student Leader in Me Lighthouse Team included: Kara Baldwin, Parker Bennett, Madison Brennan, Chloe Brown, Eli Brown, Michael Congel, Claire Entwistle, Dylan Johnson, Addison Merrigan, Clara Palladino, Elizabeth Pape, Addison Reinhold, Malarie Schoonover, Sophia Stark, Chloe Starteri, Julia Wolfeld.

Many thanks to Mr. Entwistle for helping Lighthouse Team members bring their vision to fruition ~ a dream two years in the making.

Many thanks to Mr. Allen's nephews, Keegan and Tucker, who donated the fish for the new tank.

Look for these animal tracks the next time you visit the LGES Library!

Ending the Year on a High Note

The front soccer field resembled a smaller version of Saratoga Performing Arts Center as the elementary band and chorus performed its spring concert, "Music on the Green," featuring band and choral students in grades 4-6. It was a beautiful day for music, with song choices that lifted everyone's souls! Sixth graders and their families also enjoyed the in-person set-up for their Moving-Up Ceremony!
